

The Gift Voucher Shop Introduces The Golf Winners Certificate

February 16, 2004

The Gift Voucher Shop has added an excellent innovation to their product portfolio aimed at golf enthusiasts. The company has recognised a golf prize giving opportunity due to the popularity of the golf industry in Ireland and the array of golf related businesses in The Gift Voucher Shop programme.

The Gift Voucher Shop's new Golf Service will please everyone and take the hassle out of choosing the right prizes for golf tournaments and competitions by offering the new Winners Certificate. The Winners Certificate is customised with the name and the date of the tournament/competition and any other information desired, such as sponsor information or logo. The chosen Gift Voucher or Perfect Gift Voucher is mounted on the Winners Certificate (see picture) and placed in its own picture frame and presentation box, packaged and delivered within 5 working days or 48 hours (express delivery).

The winner will be presented with a uniquely framed Winners Certificate. The Gift Voucher is then removed to reveal the Club or Society logo or other agreed design and the Certificate can then be hung or placed amongst other trophies. The gift vouchers are available for over 500 top brands and businesses nationwide including top golf courses and outlets such as The K Club, Mount Juliet, Adare Manor Hotel & Golf resort, Portmarnock Hotel & Golf Links, Glasson Golf Hotel & Country Club, Golfworks, Arnotts and many more.
